

Footloose Adds 46' Catamaran to British Virgin Islands Charter Fleet ***Charter Yacht Offers Exceptional Performance and Great Value for Sailors***

Clearwater, FL (October 11, 2011) - [Footloose Sailing Charters](#) is pleased to announce the newest addition to its fleet, the [Footloose 4600](#), a 4-cabin catamaran custom-built by Robertson & Caine. Now available for charter from Footloose's base in [Tortola, British Virgin Islands](#), the 4600 is the most spacious and well-appointed yacht in the fleet to date.

Cheryl Powell, COO of Footloose, added, "This is a significant addition to our fleet, and we're excited to now offer our customers such a spacious, comfortable performance cruiser for their sailing vacation at Footloose's great charter rates."

Footloose 4600: An Ideal Cruising Platform

Amenities include a 24' beam which allows for a cockpit that easily accommodates 12 people for meals with numerous seating options provided by reversible settee and aft sun/sea seat. The expansive forward deck with trampoline offers a large area for relaxation under sail, reading at anchor or just simply soaking up the sun.

The [Footloose 4600](#) configuration features four air-conditioned private staterooms each with an en-suite head and shower, a fully fitted modern galley is located adjacent to the spacious saloon and full size navigation station. The signature "walk-through" access to the roomy cockpit and aft bathing platform, connecting the two transoms completes this exciting new model.

The Footloose 4600 is available for charter from the Footloose base at Wickham's Cay II Marina in Road Town, Tortola starting November 1, 2011. Contact your Footloose Travel Agent at 800-814-7245 to reserve your cat today!
